

HOW YOU CAN SUPPORT SOUTH O

The South Oceanside Elementary Parent, Teacher Organization (PTO) along with its generous families, raises funds to provide:

- Supplies for the classroom (paper, pencils, glue, crayons, and other art supplies)
- Field Trips
- Curriculum/Technology
- Copy Paper for the campus
- School Enrichment Programs
- Campus Improvements

Each year the PTO spends approximately \$80 on your student(s) for these items. PTO would like to invite you to participate in Direct Donations for your child. 100% of the money collected goes straight toward alleviating the \$80 per student expense.

The Garden Concert, Carnival, Car Show, Restaurant Nights, See's Candy and various other fundraisers throughout the year do raise money for South O students; however, they are not as impactful as your direct donation.

All fundraising and direct donations are used to fund the \$80 per student expense. Excess funds will go toward the improvement of the school's field choices during recess and lunch, with the main goal to develop a running track.

Donations can be made via check or cash using the attached envelope and return to your teacher or the front office. You may also donate online using a debit or credit card (www.southopto.com). Monthly payments are also an option should you prefer to give in installments throughout the year. All direct donations collected are tax deductible. South Oceanside PTO tax ID number is: 95-6207440

Please return the attached envelope with your contribution
